Information We Collect

When you opt in to receive text messages from Nicole Holistic Healer, we collect your phone number and any information you voluntarily provide through our sign-up form.

How We Use Your Information

Your phone number is used solely to send the text messages you've consented to receive — appointment reminders, booking confirmations, and session updates, or marketing messages about offers, events, and retreat announcements, depending on which consent you provided.

Information Sharing

No mobile information will be shared with third parties/affiliates for marketing/promotional purposes. Information sharing to subcontractors in support services, such as customer service, is permitted. All other use case categories exclude text messaging originator opt-in data and consent; this information will not be shared with any third parties.
